8. First Name Of Person(Female) _____

# Dear Diary.. (A cat's prespective)

Today didnt really go as planned. As usual those _____Adjective_____humans _____Past tense verb_____me. They seem to be completely against me. The _____Adjective_____human has assigned us all _____Adjective_____Plural_____ noun_____. Its something to do with fleas, whatever that means. Anyways, they smell yucky. I miss my old one.

The _____Adjective ending in 'est'(ex.fastest, smartest, etc.)_____human seems still to think Im his play toy and no matter how hard I try to set him straight, nothing works. Note to self _____Verb_____BOY! _____First name of person(female)_____however is turning out to be not so bad. If I didnt know any better Id say she was one of us. Trapped, but well looked after .
