5. Plural Noun
6. Adjective Ending In 'est'(Ex.fastest Smartest Etc.)
7. Verb
8. First Name Of Person(Female)

## Dear Diary.. (A cat's prespective)

Today didnt really go as planned. As usual those \_\_\_\_\_Adjective\_\_\_\_\_humans \_\_\_\_\_Past tense verb\_\_\_\_\_me. They seem to be completely against me. The \_\_\_\_\_Adjective\_\_\_\_\_human has assigned us all \_\_\_\_\_Adjective\_\_\_\_\_ Plural \_\_\_\_\_noun\_\_\_\_\_. Its something to do with fleas, whatever that means. Anyways, they smell yucky. I miss my old one.

The \_\_\_\_\_Adjective ending in 'est'(ex.fastest smartest etc.)\_\_\_\_\_human seems still to think Im his play toy and no matter how hard I try to set him straight, nothing works. Note to self \_\_\_\_\_Verb\_\_\_\_\_BOY! \_\_\_\_\_First name of person(female)\_\_\_\_\_however is turning out to be not so bad. If I didnt know any better Id say she was one of us. Trapped, but well looked after .
