**blonde gunman.**

me: hello, my name is First name.

policeman: what happened to your Body part?

me: hmm. well, i've been having problems Adverb.

: what do u mean?

me: well Day of the week i wanted to Verb suicide.

: ok?

me: i held a Weapon up to my chest but i just got my Female chest part done. so i held it in my

mouth. but i figured it would Sense bad. so finally i held it up to my ear. i thought it would be

Adjective so i held up my First body part to my other ear and ' Exclamation ' my

First body part was blown off:(

:hahaha

see the moral is that when she stuck the gun in her ear there was no brain so the bullet went straight through,  
blowing off her other finger in the other ear:) ok lol plz rate:).
