walking on the street

One day _______ and I went walking on the street. Next thing we know a hobo was following us, and he asked for some _______ but we said we dont have that. The hobo said that he saw us walking into the _______ store. We just said we where looking. He told us to give him our shoes. We said that we had _______ store. We just said we where looking. He told us to give him our shoes. We said that we had _______ and he wont be comfortable in _______. So we took him to my house and gave him some shoes he asked if we can be ________ and get him some food. we told him that this is not my house so get it yourself he said ok after he ate we gave him a bath. But he told us he can take a bath by himself kicked us out. After he was done he stole all my _________ Bathroom object _______ so we kicked him out of my house.
