## Monday Morning

Today is Monday the $\qquad$ day of the week. The reasons are each morning my mom makes me
$\qquad$ and $\qquad$ . Then i have to go to preschool although I am in $\qquad$ grade. My
mom can't afford grade school so i am left with $\qquad$ toddlers. My wife $\qquad$ says how
she wants a separation. Then I crawl back in bed and stay up all night listening to the $\qquad$ race down the road. Well that's my Monday.
