First namewas seriously considering running away. It was only
like her not to keep in mind that leaving the building would inevitably lead to the consumption of her

Organ.

First namestood up, and headed toward the door.

Whatre

you going to do? I raised an eyebrow at First name who was just sitting there, his eyes on the back of her Body part.

Wilson shrugged. Once she goes out there, the zombies will Verb her. We know for a fact that the zombies only Verb Organ. Once the zombies Verb her Organ shell die. So all we have to do, is go out there and Verb the rest of her. I mean, we never really Past tense verb the Organ anyway. They give you weird diseases".

I Past tense verb at him and shook my head.

Hours when by, like they usually do. Name of a person decided that he had waited long enough. I Past tense verb to myself, silently applauding his stupidity.

First name of a person +'s body was visible from one of the windows cut in the front of the building. The damage done to it was nothing beyond what was necessary. Her Body part had been clawed out, her Organ Past tense verb and her Adjective Body part having emptied themselves all over her Body part and the Noun. The top of her Body part had been Adverb Past tense verb to avoid any Adjective Noun.

First name Past tense verb beside her, Verb ending in ing the Adjective Noun from his back pocket and beginning to filet her left Body part.
