# burning up

I'm hot, you're cold

You go around like you know

Who I am, but you don't

You've got me on my Body part

I'm slippin' into the lava

And I'm tryin' to keep from goin' under

Baby you turn the temperature hotterv Cause I'm Burnin' Up, burnin' up for you New born

C'mon Boy or girl

I fell (I fell)

So fast (So fast)

Can't hold myself back

High heels (High heels)

Red dress (Red dress)

All by yourself

Gotta catch my breath

I'm slippin' into the lava

And I'm tryin' to keep from goin' under

Baby you turn the temperature hotter

Cause I'm burnin' up, burnin' up for you baby

Walk in the room

All I can see is you (Oh)

Starin' me down

I know you feel it too

I'm slippin' into the lava

And I'm tryin' to keep from goin' under

Baby you turn the temperature hotter

Cause I'm burnin' up, burnin' up for you baby

Slippin' into the lava

And I'm tryin' to keep from goin' under

Baby you turn the temperature hotter

Cause I'm burnin' up, burnin' up for you baby

Yo, burnin' up in the place tonight You brothers sing it loud (And we're feelin' right) Get up and dance (Don't try to fight it)

Big Rob is for real (And that's no lie)

Stop, drop, and roll (And touch the floor, it keeps on burnin' up)

More and more

I got JB with me (Layin' it down)

Come on boys let's bring the chorus around

I'm slippin' into the lava (Burnin' up, burnin' up)

And I'm tryin' to keep from goin' under (Yeah)

Baby you turn the temperature hotter (Just c'mon)

Cause I'm burnin' up, burnin' up for you baby

Burnin' up (Yes sir)

Burnin' up for you baby.
