He feels the pain ofskin
The rage that bursts out from within
The rage that courses through his
Through which he channels all his pain
The released from ancient bonds
Tastes thefor which he longs
Freinds, family, they all mean naught
This life is new, with danger fraught

Gaia,

"Poem - Werewolf"

the Earth Mother, blesses them all
In return they answer her call
A call to Part of body defeat the Wyrm
To succeed there is much to learn
Control the harness the rage
The ancient force, the curse of ages
So now he Present tense verb the rage within
This rage, once bidden, beneath his
