How To Clean Your Room

Here are four gross steps to cleaning your room:

1.Start with the closet.If you open the doors and a dog doesnt fall on your lip,the closet is clean

2.If you find a old lizard lying on the floor,pick it up and eat it to see if its clean.if it smells wrench, stick it in the draw.

3.Make a giant sock out of all the _____Noun_____clothes lying on the floor.Then cover it up with a large helicopter.

Or use your nose to help you _____Noun_____everything under the bed.

4.Offer your brother a dog if he cleans your room.Hes probaly too _____Noun_____to know you dont mean it!
