# How To Clean Your Room

Here are four gross steps to cleaning your room:

1. Start with the closet. If you open the doors and a dog doesn't fall on your lip, the closet is clean
2. If you find an old lizard lying on the floor, pick it up and eat it to see if it's clean. If it smells wrench, stick it in the draw.
3. Make a giant sock out of all the \_\_\_\_\_ Noun clothes lying on the floor. Then cover it up with a large helicopter.
4. Offer your brother a dog if he cleans your room. He's probably too \_\_\_\_\_ Noun to know you don't mean it!
