Eating Everything There Ever Was(original by Patrick Johanneson)

it started with a _____Place_____ _____Food singular_____eating contest. Lou Verbain took first place, and moved on to the _____Place_____ where he placed second. But the first-place contestant bowed out when his stomach _____Verb_____ and Lou was on to the nationals. At internationals he placed a distant third to a whip-thin _____Place_____girl.

Lou wasn't about to take that lying down, so he went into hard-core training. He ate all the hot _____Food plural_____ in _____Place_____ then in the _____Continent_____ and eventually he caused a continent-wide shortage in meat-ish products.

He moved on. _____Food plural_____ _____Food plural_____ _____Food plural_____ anything he could stuff down his gullet . He grew and grew, too, expanding like a weed, like a _____Noun_____. It was surreal.

The

day he started eating _____Noun_____was probably the point of no return. He started small, with a rusted-out Datsun, but by week's end he was devouring Hummers and limos.

At some point hydrogen fusion started up in his stomach, but he didn't notice.

Long story short, now he's a black hole, Verbain X-1, and the Universe is slowly falling into him.
