what art is

Amy's doing weird stuff with Claire. Mr. Gillen was mowing the lawn. Then we were falling into a hole. It was so much fun to me my mom was so scar-scar-scared that she peed her pants. The seat was so wet. I lost control of that smell I slapped her silly across the face she said at least we have fraks hot sauce to survive. I groaned I hate that stuff why do you even like it. It's disgusting. Mom you are so weird. You are not even screaming any more. Well that's human nature. I don't get human nature. It's hard to _____ Noun _____ shouldn't be. Well it is. Mom we are going to hit the.....ground. That hurt I told you Bob we should of gone right. We did your the director in this family. Well that was a long way down and it's gonna be a longer way back up. Mom we can walk up the hill over there. That's to _____ Noun _____ point is what. That life is hard so make it hard. Well if it's so hard all the time then we should make it easy every once and a while. That would make life easy and we don't want that do we I think not. I want it to be easy every day but it's not. So do you want it to be easy too so you just want to be so strong. That's not true make part make all but you won't get the _____ Noun _____ out of me.
