# Ice Cream Sunday

In the year of our Lord \_\_\_\_\_ Year vast swarms of \_\_\_\_\_ Insect descended upon our \_\_\_\_\_ Type of house.

Twas a judgment upon us, yea certain, for how else could you explain the desecration of our \_\_\_\_\_ Noun the dimming hope of survival for the coming \_\_\_\_\_ Season?

We tried \_\_\_\_\_ Present tense verb methods to destroy the \_\_\_\_\_ Noun: some attempted to burn the \_\_\_\_\_ Same insect as the begining some tried to \_\_\_\_\_ Adjective or bury them. But alas, nothing, not even our \_\_\_\_\_ Noun for deliverance, seemed able to stop the massive destruction of the \_\_\_\_\_ Same insect as the begining.

Then, when we had lost all hope, the \_\_\_\_\_ Time of day sky was filled with the hoarse cry of gulls and the sound of wings. Before our eyes, thousands of gulls descended over the \_\_\_\_\_ Location \_\_\_\_\_ Location \_\_\_\_\_ Location and commenced a great feasting upon the \_\_\_\_\_ Same insect as the begining. Twas a miracle of \_\_\_\_\_ Noun. Every day the gulls came to eat the \_\_\_\_\_ Same insect as the begining until there were no more \_\_\_\_\_ Same insect as the begining left.

Our crops were saved and we survived the following Season.
