# The Calculation - Regina Spektor

You went into the Room in the house Noun

got yourself another Measurement of time

and you gave Fraction of it to Pronoun.

Pronoun Past tense verb there looking at the Plural body part

of the strangers in the Plural noun

'til we knew them Adverb.

They were in our Body part until Adverb (how long?)

but we didn't mind, we didn't Verb present tense not ending in 's' better.

So

we made our own \_\_\_\_\_  
Noun

out of \_\_\_\_\_  
Food pieces and

it did our \_\_\_\_\_  
Verb ending in ing while we \_\_\_\_\_  
Past tense verb our lives.

It \_\_\_\_\_  
Past tense verb up our \_\_\_\_\_  
Abstract noun and

\_\_\_\_\_  
Mathematical operation them up even and it \_\_\_\_\_  
Past tense verb

our calculation \_\_\_\_\_  
Adjective \_\_\_\_\_  
Abstract noun.

Didn't even know that \_\_\_\_\_  
Abstract noun was \_\_\_\_\_  
Superlative.

Didn't even know that love was so, so, \_\_\_\_\_  
Interjection \_\_\_\_\_  
Same interjection \_\_\_\_\_  
Same interjection

\_\_\_\_\_  
Same interjection this \_\_\_\_\_  
Noun it's \_\_\_\_\_  
Verb ending in ing \_\_\_\_\_  
Verb ending in ing us up.

\_\_\_\_\_  
Same interjection this \_\_\_\_\_  
Noun it's \_\_\_\_\_  
Verb ending in ing \_\_\_\_\_  
Verb ending in ing us up...

So we made the Adjective decision

and we each made an Noun

past our Plural body part and our Plural body part

our Plural body part were Adjective Plural noun.

Past tense verb them out they weren't Verb ending in ing

and we weren't even Verb ending in ing

as we layed them on the Material counter top,

We Verb 'em up, against each other

We \_\_\_\_\_<sup>Verb</sup> 'em up, against each other

We \_\_\_\_\_<sup>Verb</sup> 'em hard, against each other,

We \_\_\_\_\_<sup>Verb</sup> them so hard, so hard until they \_\_\_\_\_<sup>Past tense verb</sup>.

\_\_\_\_\_<sup>Same interjection</sup> this \_\_\_\_\_<sup>Noun</sup> it's \_\_\_\_\_<sup>Verb ending in ing</sup> \_\_\_\_\_<sup>Verb ending in ing</sup> us up.

\_\_\_\_\_<sup>Same interjection</sup> this \_\_\_\_\_<sup>Noun</sup> it's \_\_\_\_\_<sup>Verb ending in ing</sup> \_\_\_\_\_<sup>Verb ending in ing</sup> us up...
