the lion and the rabbit

One day in August, a lion named First name was Verb ending in ing in the grass. He thought to himself, i am so lonely and i want a friend. So Same first name went on walk to find that friend he really wanted. He came acrossed a Animal but they were always under ground where Same first name couldn't fit. He came acrossed a Different animal but they were to busy. He also met an Different animal name sally but she was always up Adjective in the sky. Same first name thought to himself what if i never get a friend? he sat down on a log and a bunny hopped by "Ahhh!"; he screamed "Please Mr.Lion do not eat me."; Same first name just sat and stared. His tummy rumbled and for a moment he thought about eating him but he really wanted a friend. "I will not eat you little rabbit but you must promise me that you will be my friend"; "I will said the rabbit.And by the way my name is Tim."; 2 years after that the Lion Same first name and the rabbit Tim were still living happily when Same first name found out that there was know food left for the lions to eat the only thing they possibly could eat is Tim. "But i promised i wouldn't eat him if he'd be my friend!"; yelled Same first name as the other lions chased Tim down. Tim got away in the end but he was never to be found.
