Once, a long, long time ago lived an $\qquad$ and a $\qquad$ . Now, remember that these where the days when animals could talk and there was no death in this world. Now this $\qquad$
$\qquad$ had a sister whom he despised, the apple felt differently about her though. So one day he crept to the house in the dead of night and explained how he felt. the orange admitted that she felt the same was too. and with a bit of persuasion the orange and the apple eloped together. this made the banana very, very angry but time passed and the $\qquad$ and the $\qquad$ had three daughters and two sons then the orange died at the exact same time the banana was crowned king of the world and now had the devices to track down the traior who stole his $\qquad$ . three years passed before he found the
$\qquad$ and there was a messy battle and both were mortally hurt as the banana died he said "I shall NEVER forgive you. Ever? then whilst the apple died an orange light came to him and slapped him. That is why oranges and apples and bananas hate each other.
