5. Noun

# The Good Night (pt. 1)

Work was tough and I was there for so long. But it was \_\_\_\_\_ Day \_\_\_\_\_ which meant it was time out with my friends for some good, \_\_\_\_\_ Adjective \_\_\_\_\_ drinking. I got on the bus and was driven to the dance club. I met my buddies there and we bought some beers. All 3 of us sat and started drinking. We drank and drank, and I was having trouble focusing. I saw the hottest girl I've ever seen. I stumbled over and slumped onto her body. She pushed me up and looked at my face. "You're drunk."; I nodded and reached out to touch her Big O's. I grabbed them and took off her shirt. She yelled and a \_\_\_\_\_ Adjective \_\_\_\_\_ man grabbed me. "What you doing wit'; me girl?"; He asked. "Fu-fucking"; I responded in a drunken slur. He pushed me off and I stumbled into a \_\_\_\_\_ Noun \_\_\_\_\_. I sat down and looked up. There was a hotter girl dancing on the \_\_\_\_\_ Noun \_\_\_\_\_ and I was getting more ideas.
