## The Good Night (pt. 3)

Her boobs were the biggest thing I've ever seen. I felt my dick get bigger then it's ever gotten, these were the first  
boobs I've ever seen. My wife is super protective, she's only shown her stuff to the mailman. At least, that's what  
the mailman's wife has told me. Even she, the mailman's wife, would only let me see her pussy, not the  
\_\_\_\_\_ Adjective part. I never knew they could be so \_\_\_\_\_ Adjective. I ripped off her \_\_\_\_\_ Clothing and  
started sucking. She was fingering my thing and I knew something was gonna come out. I pulled down her  
panties and turned her. I stuck my dick right up and the stuff \_\_\_\_\_ Past tense verb out. She yelped as I wiggled  
my thingy. The stripper pulled her off and showed me HER boobs. EVEN BIGGER.
