Saturday afternoon

One Saturday afternoon, my friend came over to play. First, we played with the _____Animal_____ but he won't sit. I tried to get him to play dead, but that didn't work either. So then, we decided to go ride our _____Noun_____. We rode all the way to the _____Location_____. It took us 15 minutes to get there. Once we were at the _____Location_____ I wanted to play on the _____Animal_____ bars. My friend and I can go all the way across. We played for a long time, but suddenly my _____Body part_____ growled. It was time to go home. After _____Adverb_____ riding home, I asked mom what we could eat. She said we should have a _____Food_____ sandwich. I would of rather had a _____Food_____ but mom wouldn't let us. While we were eating our snack, my friend's mom called and had to go _____Location_____. It had a great time.
