The Smurfs

One day, I was _____Noun_____Noun_____from school. Then I tripped over a log and fell into a hole in the ground. In the hole, I fell down and landed somewhere I haven't been to before. So I said, 'Where am I?' I looked around and saw mushroom houses. I saw a small blue creature. I saw 100 of them! So I said to myself, 'I have to be dreaming, I have to be dreaming.' One of the blue creature told me that it's a smurf. I told the smurf my name is Sarah and I have never seen smurfs before. This smurf hit me in the face with a ball, and I said ow and said, 'What's that for?' And the smurf said, 'I hate humans invading our village!' So I said, 'I'm not invading, I only like you as a friend.' So the smurfs became my friend, and they like me.
