I found a lightsaber!

I was around my like I always do this time every day, and I found
something on the It looked quite so I picked it up. It had several
and a handle that looked like it was made of something I pushed a
verb ending in ing and it turned on! It was a lightsaber. I had found a lightsaber! Thus was
soI could do whatever Ito! I was about to put it in mywhen
I heard a strange whirring noise! It was a protocol droid and an alien! The alien said something to me, but I
couldn't tell what it said since it wasn't in The protocol droid spoke for the alien.
'He says to give thelightsaber back to him, or you will feel the power of The'
I was quite so I handed over the Jedi immediately.
'Remember,' the protocol droid told me, 'This never happened. Now leave!'
That night, my head was full of Who were thesepeople? Was the alien a
Jedi? Why did they come here?' I guess I'll never know.
