## **Your Star Wars Avdventure**

Your name is You were born amd raised on the planet As a child, you
were always because your planet was under the clutches of the Empire, or more specifically,
Darth At the age of people had to recruit to be stormtroopers.
Living on the same planet is someone your age, called You andwere
sometimes friends but most often didn't speak to each other. However, when you both reached that age of
when you were to recruit as stormtroopers, you becamefriends.
'Okay, everybodyyears old! You will soon train to be stormtroopers. All of you will be
boarding these star shuttles to the planet where you will be taught how to be a stormtrooper!'
You didn't want to serve the Empire. You didn't want to train to become one of their soldiers. You dove under
Noun to hide. It was a pretty hiding spot, but you hoped it would work.
Expression ('whoa!' 'eureka!') !' you hear. Someone is hiding near you! It is
'What are you doing?' you hiss.
'Same as you. Hiding from the imperial army. This hiding place pretty much sucks, but it's the best I could find

You both hatch a plan together. You decide to hide from the Imperial Noun	until the last minute. If you
can suceed, you may be able to sneak on to the main ship. With no weapons and no	Noun it's a long
shot, but it just might work.
