My most embarrassing moment

By: First name Last name

My most embarrassing moment happened when i got on the bus to go to Geographical location. The bus was very Adjective so i stood up and held on to a Noun. At the Next stop, I saw a Noun get up, and ran over to grab his Noun but i accidentally jabbed my A body part into his A body part and broke his A body part. And than, as i was apologizing, the bus came to a Adjective stop, which cased me to drop my Noun and fall on top of a Adjective lady who was carrying a Noun on her lap. Believe me, my Noun was red all day!
