## ~My Love & I~

I stood out on the balcony, staring out at the	Adjective	Noun	in my crimson	Adjective
dress, very happy. The Empire State Building w	vas so close tha	at I could alm	nost touch it, just cra	wl away and land
on the very topstepped out in	nto the light an	d wrapped h	is arms around my v	vaist. 'This is it',
he said in my eyes, as he pulled me close to him	n and kissed m	e.
