Today was a spectacular holiday. Of course, we know it as _____Noun_____. Jenny and Sara were planning to throw a _____Noun_____ Noun Halloween party. Everyone would come in their costumes and there would be a gigantic pinata hanging from the beige ceiling. Costumes that were particularly recognized were dead _____Noun_____ goth _____Noun_____ Noun and pretty _____Noun_____. Everyone had a blast at the party.

Since Jenny and Sara were old enough, their parents allowed them to _____Noun_____ the party without them. That meant Mr. and Mrs. Oretaga were visiting in Fresno while Jenny and Sara were in Sacramento. The party was _____Noun_____ extraordinarily fabulous until they heard the sound. The music had a mind of its own and suddenly _____Noun_____ off. The lights abruptly started to _____Noun_____. Everyone stopped _____Noun_____.

They then stayed still in shock. They all gasped. Immediately, they heard light foot steps with a creaky noise coming down the hall. Everyone stopped. Next, they heard a door slam. Joyance Parker was so scared, she accidentally fell into the coy pond. It was 30 feet deep. She didn't know how to swim so she started sinking like a dying stone. Joyance then felt something grasp her ankle. Fingers then started stepping up her leg. She screamed. She was then rapidly pulled underneath to the dark depths of the pond. She started to disappear.

Before we knew it, she was gone. 30 seconds later, blood was flowing to the surface of the pond. A note with drippy writing font was then floating at the top. It read, "Don't Fall or you'll die, underneath here can not see by eye."; What was going on above the surface was even more thrilling. Once the door slammed, they heard a large BOOM! Shockingly, they then heard a voice that said, "I want to be with you...". "Please, pretty please, Sara. Mommy and Daddy said I have to come."; What? Everyone was confused. Then Sara and Jenny saw a little boy in

a vampire costume standing in front of them. It was their younger brother, Elden-Henri. "Please!"; Everyone started laughing. "It was you the whole time Elly?"; asked Sara. "Yeppers!"; said the boy. "Then, what happened with the coy pond?"; asked Jenny. "What? I don't understand. I was never in the coy pond,"; said Elly surprisingly innocent. Everyone stopped. They all screamed, "AAAAAAAAAAHHHHHHHHH!!!!"; They all ran out of the house. Suddenly, bubbles were coming from the top. It was...2 scuba divers? "Thanks Mr. and Mrs . Oretega. I loved the scare,"; said Joyance pretty soaked with a breathalyzer on her face. "No prob, we loved it ourselves,"; said the two parents in their drenched scuba outfits.
