# drive to the movies

we are driving our Noun to the drive in movie show. everyone is Adjective and Adjective.

We will see if anything good will come on. Like the Noun there is Type of food candy, or if any

type of Noun is there. My little Relative is teasing about what movie it is. I have guessed

Movie and Spongebob. They were both wrong answers. My next guess was gonna be Like Mike. But I

never got to say. Well it turned out to be Transformers Number.
