I ate some nachos

One Day I ate some Plural noun. They were very delicious and came with Noun. Then

First name Last name and First name Last name Entered the Location

Location. To my alarm they sat next to me and started eating my Plural noun. So I killed

First name Article and Then Imprisoned First name Last name for life.

Unfortunately, First name Last name Escaped and Started to raid Location Location

singing "A Really Crappy Song"; By First name Last name. So everybody killed him and ate the

rest of the Plural noun and It was a happy ending.
